

Your **medicare** consent helps keep care going

Signing an enduring assignment of Medicare benefit agreement helps our clinic provide accessible, bulk billed care for our community.

Have you signed your Medicare agreement?

Ask our friendly team about the form today.

- It is a simple form that gives ongoing consent for eligible Medicare bulk billed services provided at our clinic.
- When Medicare pays the benefit directly to our clinic, it supports more primary health care for our community.

What this means for you

Ongoing consent

You can give ongoing consent for eligible bulk billed Medicare services.

Less paperwork

You may not need to sign a new assignment form each time for services covered by the agreement.

Your choice

You can ask questions before you sign, and you can withdraw your agreement at any time. Your withdrawal will be effective after two (2) business days.

Clear notice

If the clinic withdraws the agreement, we will let you know at least two (2) days before it ends.
